BIOGRAPHY

PhD. Gerdi Papa is Head of the Department of Creative Industries and leads the Design & Marketing Office at Barleti University. Passionate about computational architecture and digital fabrication, he founded the Creative MakerSpace and Creative Multimedia Lab. Actively involved in international initiatives such as Creative Europe [LINA], Erasmus+, Adrion, and AKKSHI, his research integrates architecture, parametric design, automation, and product design. He serves as advisor for MSc theses in Architecture and Interior & Product Design.
